

Spring Mean Board Game

You will need:

- counters
- a dice
- pencil

Instructions:

- Each player starts the game with 10 points.
- Take turns to throw the dice and move your counter around the board.
- When you land on a square, find the mean of the given numbers and add the points on that square to your score.
- When a player reaches the finish, the player with the most points is the winner.

Keep track of your score here:
