Dear Parents /Carers

As you know by now, our school has started a Traffic Committee. This is a group of committed students and adults who want to make the roads around school safer. We put ourselves forward to monitor the traffic on a weekly basis and to meet to discuss ideas.

We try to stop people parking on the yellow zig zags around our school. We do this to help you and your children safely cross the busy roads. We can't be everywhere but there are two main places that we're trying to improve: the bottom of Cambridge Way and the top of Bell Lane.

We hope that some more parents take note of our efforts and try even harder to avoid the yellow zig zag's..

Yours sincerely

Alice & Alisha & Darcey

Traffic Committee Reps
