

Help! Bonfire Night Needs You!

Bonfire night is our big PTA event for the year. To raise funds we need a lot of volunteers to do their bit...

What can I do on the 6th?...

- **Marshalling** (we need 17 more people)
 - Only there for the evening.
 - Your family can stand with you.
 - You will need to be a visible contact point for the public, and hold the line between danger areas and the public.
- **Running a stall** (we need two more people)
 - You will need some advance planning and/or setting up
 - Your family can help you.
 - You will need to run your stall for about an hour before the bonfire and fireworks start.
- **Fireworks Firing** (we need two more people)
 - You will be given advanced training and will need to help setup
 - Your family will not be allowed near you whilst you are working!
 - It should be great fun!
- **Bonfire setup, lighting and safety** (a team of five)
 - You will setup in advance and manage safety on the night
 - The Fire service will support the team
 - Your family will not be allowed near you whilst you are working!
 - It should be great fun!

To volunteer,
please contact Howard on
