Dear Parents/Carers

Instrumental Tuition for Autumn 2022

If you would like your child to have the opportunity to learn an instrument, please would you indicate on the form attached. This form is for new pupils only. Pupils currently having lessons have an ongoing contract with their teacher.

Lessons are billed by the instrumental teacher and they will be responsible for invoicing and collecting the money. As a guide, 20 minute 1 to 1 lessons cost around £10 per lesson.

You will be asked by the instrumental teacher to sign an agreement which will make you aware of the billing and cancellation procedures. If your child is on a school trip, away from school due to ill health or medical appointments, please know it is your responsibility to inform the music teacher directly that your child will be missing the lesson.

You may hire instruments from the Music Service (the music teacher will discuss this with you), but in order to take up piano lessons you will have to have a piano or large keyboard.

Please send this form back by Friday 1st July, as there are only limited spaces and teachers work on a first come first served basis.

You will be contacted by the instrumental teacher with regard to these lessons; highlighted next to each instrument shows what Year Group your child(ren) will need to be in to be able to play the instrument.
