

June 2022

Dear Year 5 Parents and Carers,

Year 5 Open Mornings

I am conscious that you are about to embark upon the Year 6/7 transition process. This is an exciting time for families and it is important that you can make an informed choice about your child's secondary education.

Ofsted paid tribute to the ethos of our school when they did a routine inspection in March this year and again confirmed we are a GOOD school. We are delighted that they commented on students being 'happy', that students 'enjoy learning' and 'enjoy the ambitious curriculum that the school has developed'. A copy of the full Ofsted report is available on our school website: <https://www.maidenhill.gloucs.sch.uk/Our-School/Ofsted>

In the autumn term we hope to run our usual open evening and open morning events, but I am also aware that, due to Covid restrictions, you have not been able to visit schools in quite the same way as you might have hoped. I am therefore writing to invite you to visit Maidenhill to see the school 'in action' on Wednesday 29th or Thursday 30th June.

We want you to be able to experience our school first hand, seeing 'normal lessons'. Our Year 9 students will take you on a tour of the school and they will be able to answer any questions from a student's perspective. We hope you will enjoy seeing a variety of lessons and experience the ethos of our school for yourself. Senior staff will also be available in case you have any additional questions.

To secure a place, you will need to book via one of these links (please note you only need to book one ticket per family):
