E-Safety for Parent/Carers

Dear Parent/Carer,

Online safety is an important part of keeping children safe at Minchinhampton School. Online safety is taught to pupils and our curriculum empowers pupils to understand and to be aware how they can stay safe online.

The session will offer advice about setting parental controls, signposting to appropriate and helpful websites and generally give parents advice about ways to keep their child/children safe online. We can only be successful in keeping children safe online if we work with parents.

If you would like to come along to this session which is on **Wednesday 30th November at 5:30pm in Royal class**. Please can you complete and return the slip below. This session is for parents only.

Yours sincerely

Mr. Ricketts, Mrs. Saeed and Mrs. Jackson

Reply slip – please complete and return.

E-Safety for parent – Wednesday 30th November 2022

I would like to come along to the E-Safety meeting on Wednesday 30th November

I cannot make this date, but would be interested in attending another session
