Fireworks 2023!

As you know the legendary Minchinhampton Fireworks display is an epic event for our school and local community. Such awesomeness takes a bit of planning and believe it or not, this planning starts quite early in the year. This event always generates a great income for the PTA, but more importantly it is a lot of fun for spectators and volunteers alike.

Firstly, we would like to thank the amazing volunteers for all their hard work:

- Howard Gilbert for his time and co-ordination of the overall event
- Tom Vincent for his dedication in recent years to ensuring the event is planned safely and past years for co-ordinating the overall event
- Ben Lodge for organising the firing team and ensuring that we have a fabulous selection of fireworks for the display
- Neil Wood for his hard work leading the bonfire building team
- Henry & Jess Herbert and their lovely team for the ever popular BBQ
- Chris Heath and the brilliant bar team
- All the legendary volunteers, too many to name, who bring us candy floss, sweets, hot drinks, also the stewards, the ticketing team, first aiders, electrical set up crew, gazebo erectors and the clean up crew

Secondly, we would like to offer the opportunity for you to join this fantastic team of volunteers:

1.Event planner – responsible for organising insurance, local authority liaison and health & safety, full handover and training will be given. This would suit someone who can give a few hours here and there in advance of the event. Will need to get started in the next few weeks.

2.Firing Team – responsible for making things go 'boom', 'bang' and possibly 'whoosh', we need two more people to join the firing team, full training will be provided. This would suit someone who can give a little time in advance of the event for training as well as the obvious on the day.

If you can help in any way, please contact rector@minchchurch.org.uk
