

MINCHINHAMPTON PRIMARY SCHOOL
Parents' and Carers' Views of the School
Annual Survey

What do you and your children think about Minchinhampton Academy? We listen carefully to everything our parents and pupils tell us. We use your views to check on how we're doing, and to put in place any changes that will help the school become even better.

If you have more than one child in school, please do feel free to fill out a separate survey for each. There is space at the end for additional comments. Please try to be as positive and constructive as you can. We see our relationship with parents as critical for the well being of the children. Your answers will be confidential, but a summary of parents' views will be produced.

Please give the age of the child to whom these view refer:
