

20<sup>th</sup> June 2023

Dear Parents/Carers,

As part of our plastic unit we are studying a book called 'One Plastic Bag' which tells the true story of Isatou Ceesay and her mission to recycle waste/unwanted belongings into reusable items in The Gambia.

One of the upcoming lessons asks for the children to bring in a large (preferably adult size) t-shirt that can be cut up.

With that in mind, could you please send your child in with a t-shirt that you don't mind being cut up by Tuesday 27<sup>th</sup> June.

Many thanks

Y3/4 team
