

SUMMER FETE PROGRAMME

Take a look at our Summer Fete Map & Programme!

Go through it with your kids and decide what they want to do tomorrow so you don't miss out.

You can download the full programme here [Summer Fete Programme](#)

Or just print out the most useful pages to bring with you tomorrow.

We can't wait to see you tomorrow, thank you SO much for all your help baking and volunteering. If you see someone at the fete looking busy & stressed making candy floss, serving tea, face painting etc. **PLEASE** offer to give them a hand, we are all just parents taking time out of our busy lives to make this event great for the children. Let's help each other make this the best summer fete ever.

DON'T FORGET BUY RAFFLE TICKETS!

Let the fun commence

*All locations and activities are subject to change.

*All activities are at your own risk. NO DOGS ALLOWED. NO SMOKING.

Why a BIG GREEN Fete?

THE GREAT BIG GREEN WEEK

For 2023 our Fete has gone Green! The children and staff at Minchinhampton Academy have been working hard, to make the school as green as possible and to educate Minch children about Climate Change. To name just a few initiatives the school has been working on, they've installed solar panels, created a sustainable lunch menu and worked with the Academy of Eco Education to develop an eco curriculum.

Our children are leading by example but we want to do them proud and show them that we're listening. So we've asked the community to come to us with their ideas and help us put on a Big Green Summer Fete!

The Climate Coalition - the UK's largest group of people dedicated to action against climate change run a Big Green Week every year and invite people all over the UK to participate somehow to help raise awareness - so that's what we're doing!

What's so green about it?

We've put a lot of effort into running the fete in the most sustainable way we can and we've teamed up with **Minch CAN** our local climate action group, who have been advising us on what we can do differently to help the planet. Wherever possible we've chosen to be creative and make use of what we have, avoided single use plastics, minimised waste and considered the full life cycle of the purchases we've made and things we've gathered for the Fete. On top of that, we've put together a fantastic itinerary of green activities, stalls and entertainments for you to enjoy:

WYLDING SUIT

Thank you Wyliding

From friends who loved wild swimming came WYLDING. A suit conceived and created for pre and post cold water swimming and water sports. This is your chance to bid for a WYLDING suit of your colour and size preference worth £160.

The WYLDING suit is a relaxed fit, thermal lined, weatherproof boiler suit. Specifically created for use in temperate climates, it is designed to be worn with only underwear or dry swimwear underneath allowing the wearer to move unencumbered while staying warm. Initially conceived and created for pre and post cold water swimming, SUP and surf changing (make sure to remove your wet swimmers on leaving the water and towel off) it is also ideal for camping trips, sailing, outdoor yoga, walking the dog, festivals, socialising outdoors and attending outdoor events.

RAINBOW

VOUCHER WORTH UP TO £200

MC'NEAN - SINGLE MALT WHISKY

Holy Spirits is a specialist merchant of divine whiskies, fine wines and spirits based in beautiful Nailsworth - in the South of the Cotswolds - offering a selection of organic, biodynamic & sustainable produce as well as focusing on single cask, cask strength bottlings from distilleries and independent bottlers.

Holy Spirits have generously donated a superb bottle of Mc'nean - Organic Single Malt Whisky, a whisky of great depth. Produced from organic Scottish barley, this single malt begins with a gentle fermentation and distillation at the carbon neutral Mc'nean distillery. The eye-catching bottle is made entirely from recycled glass, again reducing the footprint of this stunning single malt.

Thank you Holy Spirits
