

Minchinhampton-Nkokoto Nyumbani project
Slides with the December 2023 film

1. Practice football skills
2. Play Chess
3. CHAOS TAG Everyone is 'It'. once you are touched you must sit down. You become free once the person who touched you is also tagged and therefore is now sitting down.
4. You walk around, touch everyone's head and say "duck" or "goose". The "goose" gets up chases you around the circle. The goal is for the "goose" to catch you before you can sit in the "goose's" spot.
5. SPLAT! Everyone stands in a circle with one child in the middle. The one in the middle spins round and points to someone and shout 'splat!'. This person ducks down. The children on either side of them point at each other and shout 'splat!'. The last person to shout 'splat!' sits down.
6. Goal netball. Two teams pass the ball trying to get it to their goalkeeper to score.
7. Golden River-One child stands facing everyone and says "You may cross if you are wearing (colour)" The players who have this colour on can cross, but the others have to dash across without being caught. If a player is caught, they help catch the other players.
8. French skipping.

We look forward to seeing more films from you and showing you more of our school in 2024.
